

## **PRIVACY POLICY**

### **1. Owner and Data Controller**

Azor Sky - Unipessoal LDA  
Estrada Regional do Pópulo 21  
9500 - 609  
NIF 514968974  
reserva@azorazul.pt

### **2. Collected Data**

This website collects the following data through registration forms or contact when completed and submitted by the user:

(a)name, (b)phone number, (c)company name, (d)email

This website uses cookies to collect statistical information in a way anonymous and/or to improve the user experience in using this website.

### **3. Purpose of Collected Data**

The data collected on this website is intended for:

- Contact the user to respond to requests sent.
- Submission, upon user request, of service proposals and/or others information about services and/or own products.
- Future contacts, including sending communication of services and commercial campaigns.
- Compliance with legal obligations.

The data is thus collected for the purposes indicated above.

the holder must verify its accuracy and updating so that the responsible for this website can take the appropriate measures to its treatment. Filling in the forms on this website is accompanied by request for express consent by the user to send and processing of data as described above.

This consent given in the sending any personal information will translate prior consent and express to the processing of personal data transmitted by its holder to one or more purposes described above as well as the owner of this website authorized to process the personal data collected on the measure and for the time necessary to achieve its purposes.

In compliance with current legal legislation and its policy, the owner of this website clarifies that it does not request or encourage, in place or in a manner none, the remission and sending of personal data relating to

philosophical convictions or politics, party or union affiliation, religious faith, private life, origin racial or ethnic, as well as the processing of data relating to sexual life.

Accordingly, the owner of this website reserves the right not to accepting to collect or receive information that jeopardizes rights fundamental or that appear to be illegal, excluding any responsibility in the respective treatment. Taking into account the purpose of the processing of the information collected, the owner of this website reserves the right to cancel or cancel any request if not all the data necessary to manage the process in question, with no responsibility being excluded.

#### **4. Preservation of Personal Data**

Accordingly, it is hereby informed that the personal data collected within the scope of any process to be handled by the owner of this website may be maintained for the period necessary to fulfill the purpose, and may be kept in reserve for future processes or be kept for the continuation of sending promotions or disclosures of actions, services or products, without prejudice to the right of the holder to request the removal of their data (right to be forgotten), at any time, as indicated in next point.

#### **5. Rights of the holder of Personal Data**

The period of time for which personal data is stored and will vary according to the purposes chosen by the interested parties, but always for a period equal to or less than the stipulated period in law, however:

The holder of personal data may, at any time, request:

- Access/request of all information held by the person responsible for this website about you
- The elimination of all information held by the person responsible for this website about you whenever one of the following reasons applies: (i) the data are no longer necessary for the purpose for which they were collected or treatment; (ii) the holder withdraws the consent, when the consent is the legal base; (iii) the holder is opposed to the treatment and there are no interests prevailing legitimate data that justify its maintenance or (iv) the data personal data must be deleted in order to fulfill a legal obligation.
- The rectification of the information held by the person responsible for this website about you
- Portability, limitation and/or opposition to treatment, the holder must communicate your request in writing to the owner of this website, identifying themselves by full name and sufficient identifying elements to allow us your proper identification and further processing of your request. All orders must be made through the addresses and forms identified in section 1 of this privacy policy.

Additionally, the holder may always submit claims that deems necessary with the competent authority for this purpose.

## **6. Security in the Processing of Personal Data**

The collected data are processed and stored electronically and on physical support (paper) when necessary.

The owner of this website has implemented adequate technical and organizational measures to protect personal data against accidental or unlawful destruction, accidental loss, unauthorized alteration, dissemination or access, and against any form of unlawful processing. Only employees and subcontractors authorized by the owner of this website have access to personal data, being bound by the duty of secrecy and confidentiality.

If, for any reason, there is a breach of security that causes, accidentally or unlawfully, the destruction, loss, alteration, disclosure or unauthorized access to personal data, the owner of this website undertakes, in accordance with the applicable legislation, to be communicated to the competent authorities, without justified delay and, whenever possible, within 72 hours after becoming aware of such an occurrence.

Under the aforementioned terms, the owner of this website undertakes to communicate the breach of personal data to the respective holder of your data, in accordance with applicable law.

Without prejudice to the provisions of the previous paragraphs, the user must adopt additional necessary and required security measures, namely having an active firewall, updated antivirus and anti-spyware, and must use it prudently when having access to third-party platforms, checking and confirming the existence of a digital certificate and the trustworthiness of the address, being excluded any responsibility of the owner of this website for a fact that is not attributable to him or the non-respect of specified or required precautionary rules.

## **7. Communication of Personal Data to Third Parties**

The information and personal data to which the owner of this website has access will not, under any circumstances, be sold or given to third parties. Within the scope of its activity, the owner of this website may resort to subcontractors for the provision of certain services, which may imply, in some situations, access, by such entities, to the personal data of users or customers.

If this occurs, the holder consents to this sharing, and the owner of this website is committed to taking the necessary and appropriate measures, in order to ensure that the entities that have access to such personal data are reputable and offer high guarantees at this level, which will be duly enshrined and safeguarded in a written contract, entered into between the owner of this website and the subcontractor(s).

Any subcontractor with whom the owner of this website shares data, will be responsible for processing the personal data of users, in their name and on their behalf in the commitment to adopt the necessary technical and organizational measures in order to protect personal data against destruction, accidental or unlawful, accidental loss, alteration, dissemination or unauthorized access and against any other form of unlawful treatment, being the same responsible for the proper use and under the legal terms.

Without prejudice to the provisions of the previous paragraph, the owner of this website is responsible for the processing of personal data under the legal terms and within the respective limitations of use.

### **8. Access to Third Party Websites**

The privacy policy does not apply to third-party websites or means of support that the user may access through this website. In this case, whenever you visit another website from this one, you should always read the applicable privacy policy and verify that you agree with its terms before providing your personal data.

The owner of this website is not responsible for the privacy policy or the handling of personal data that is applicable on third-party websites, nor for the contents made available on the same websites.

### **9. Cookies**

This website may use cookies and/or web beacons when a user has access to the pages. The cookies that can be used are associated (if applicable) only with the browser of a specific computer, tablet or mobile phone.

The cookies that are used on this website can be installed by the website, which originate from the different servers operated by this website, or from third-party servers that provide services and install cookies and/or web beacons (for example, the cookies that are for statistical services or certain external content). The user will be able to search his computer according to the browser's instructions and find and remove cookies.

Cookies are necessary to identify that a browser (and supposedly a person using that browser) that accesses several pages of a website is the same browser (and supposedly the same person) that accessed a certain page, this is usually easy to exemplify with the login, when a user logs into a website, this website saves a cookie in the browser with a unique identifier that then lets you know that it was the login that requested a certain page and with this to be able to show information or provide specific functions for that user.

This website uses cookies in order to provide the best possible experience in using and consulting this website, namely in the following situations:

- Content sharing on social networks
- Displaying third-party content (eg videos)
- Collection of statistics

We do not use cookies to:

- collect information that allows you to identify yourself
- collect sensitive information about you
- pass information that identifies you to third parties

More details on how cookies are used in each case mentioned above:

social network cookies

In order for users of this website to easily share our contents on their social media accounts such as Facebook and Instagram, this website includes buttons for these same features.

Cookies for these features are thus created and introduced on our pages by Facebook (Facebook Privacy Policy) and Instagram (Instagram Privacy Policy).

The privacy implications of these features depend on the social networks that users of this website use and the privacy settings they define in each of these networks.

Cookies for anonymous statistics about visitors to this website.

This website uses cookies to compile statistics about visits, in order to know anonymous information about the number of visits it receives, which technology is used to access the website, which pages are viewed and for how long, among many other anonymous statistical indicators.

This information allows this website to continuously improve the experience of its visitors.

The software this website uses to collect statistics is Google Analytics.

So this type of cookies this website uses:

- Google Analytics – Google Privacy Policy

If you don't want your visits to websites and blogs to be detected by Google Analytics, go to <http://tools.google.com/dlpage/gaoptout>
